

Grade 8 SUPPLY LIST

To succeed in grade 8, you will need to bring in addition to a **fully-charged MacBook**:

-A pencil case with 2-3 pencils, colored pencils and/or markers, a pencil sharpener, an eraser, a 4-pack of whiteboard markers, scissors (student size), sticky notes, small ruler, erasable pen, highlighters in **pink**, **yellow**, **green**, and **blue**.

-TI-15 calculator (or similar). The TI 15 is not available here but is my preferred choice as its screen can be used to review previous steps - very useful when doing error analysis. If you happen to be traveling somewhere that sells it or you can order it with Amazon, I find it to be a very useful calculator.

or -Folders for classes to hold any papers (a set of about 8 clear bags is a good idea; if you have a hard time staying organized and remembering the right materials, an accordion folder may be a better option)

-Headphones

Specific supplies for band and choir will be discussed in class. Please note that all band students must pay a rental fee in order to rent a band instrument from the school.

*****And don't forget...**

A WATER BOTTLE! Brains work better when hydrated. A reusable, metal bottle is best for both your body *and* your Earth!
