ORIENTATION

The goal of the LEAP program is to create a personalized extended day for your child.

Before a student joins LEAP, teachers will coordinate with parents and students to determine the student's needs and goals for the year. Perhaps your child needs handwriting practice, assistance with homework, more physical activity, or math practice? These are some ideas that you can share with our LEAP team. Based on our conversations and student assessment we will create a personalized program for each of our LEAP participants.

WHAT ARE THE BENEFITS OF THE UAS LEAP PROGRAM?

Research shows that Elementary students that participate in after school programs show improvement in the following areas:
